e) Rent for the cattle pound at Dantaramakki Rs 4/- "

for the year 1946-47 and the copy of the said resolution received in this office on 10-1-1947 In view of the fact that certain information was called for by Government (vide your letter No I 404 Misl 7-116-16 dated 17-9-1946) and the said information regarding the continuance of the Record Keeper on a permanent basis, was not furnished by the President while submitting the above proposal, the papers were returned to the President for retransmitting the same with the required information the records were not received back in this office till 13-8-1947 when the President requested permission to draw and disburse the pay of the temporary establishment in anticipation of sanction The President was requested to expedite the information called for by Government in their letter dated 17-9-1946 Inspite of these requisitions, the particulars called for by Government were not furnished, but a copy of the resolution dated 30th November 1946 was again sent, saying that the particulars will be sent

The Municipal Council further resolved on 30-8-1947 that the temporary establishment covered by their resolution dated 30-11-1946 and the payment of certain allowances may be continued and a copy of the said resolution was received with letter dated 9-9-1947, requesting the sanction of Government The President was requested to furnish references regarding the

regarding the Government Orders sanctioning the allowance, as it was contemplated by the said resolution that the allowances should be continued, as also the particulars called for by Government in regard to the absorption of the post of the Record Keeper
